Meeting Notes from 1/11/16 club meeting at Labamba, North Palm Beach, Florida

Rose Wade – President- waderonald@bellsouth.net – 561-603-2702

I would like to wish all our members a Happy New Year.

I humbly step into the position of First Women President of the Corvette Club of the Palm Beaches. I will go forward with the integrity and respect all our members deserve. We understand that everyone has joined this club for different reasons. If you are into car shows, that's great. If you are not that is also great. Want to just cruise, let's go! Want to just socialize and make new friends, we are happy to have you. Our goal is to inspire new ideas, build friendships and draw out new personalities.

Please feel free to approach any board member with any of your concerns.

Old Business:

We ended the year 2015 with 161 members. Your club donated: \$3,500 to Quantum House, \$2,950 to the Lord's Place and \$350 to Autism.

New Business:

We realize we have a problem with our email. We are working on a new server. For now all emails from the club will be sent out with the subject line reading "Stingray". This will be a safe code so that you are sure it's a message from CCPB.

We will be having one business meeting a month and our second meeting will be a social meeting.

Hopefully this will give us the opportunity to visit different restaurants without interrupting their space with our announcement system. We need the membership's help to find these new restaurants in the south area. Our first meeting will remain at LaBamba's.

We hope to be doing more cruising. We are encouraging members to have radios for these events.

There is no way the lead car can always see if the last car is still with the group. Cell phones are great but they are not safe in this type of situation. This should be a fun stress free activity.

No additional information from Rose's information above.

Keith Johnson - Car Shows - kjacy@comcast.net

- Proposed the use of the club email to inform all members of future car show events. By mid month, every month an email will be sent that will notify everyone of what shows are going on in Palm Beach County and the surrounding areas. We just participated in the Renegades Car show. Jan 17th is the Cool Wheels Car Show in Deerfield Beach at the Quiet Waters Park. On

Jan 29 & 30 is River Ranch Rod Run at the Westgate River Ranch Resort. A great show and a lot of fun with your friends from the club. Jan 31 is the K-9's and Cruisers Car show in Boynton Beach and in West Palm Beach is Hot Cars & Chili at Anchorage Park. Both shows are on the FlaCarShows.com website. Abacoa car show is 1st Saturday of month.

- Vettes on the Vines January 17, 2016 from 1:00 p.m. -3:00p.m. Cars are to arrive between 11:00-12:00p.m.

All members for the south and north portions of the county will meet at the Double Tree parking lot just west of I-95 at the corner of PGA & Military Trail. Meeting time 10:00. Departure time 10:15

Be gassed and ready to go. Drive safe and WAVE.

Please reply to this email if you are attending so that we can compile a list.

- For those interested the Endless Summer Vettes at the Vines is on Jan 17. Cars should enter the area between 11:00 & 12:00. Preregistration is available @ enlesssummerwine.com. Caravan info will be sent out from the clubs email.

- I proposed a new charity, The Wounded Warriors of South Florida. It appears to be a very good one with 90% of the charitable contributions going to those who are in need and only 10 % administrative costs.

- And as John Bender always said, "Introduce yourself to those new members and talk with them. That person may turn out to be your new best friend."

Mark Skelton, Special Events - thesweepr@gmail.com

Hey everyone,

I'm working on a trip to Tennessee for the Corvette Expo on Oct. 14th and 15th, we will probably leave the morning of the 12th which is Wed. Currently the room rates at Country Inn Suites (approx. 1 mile from Loudon Tenn) are \$92 per night plus tax if we book 10 rooms if not the rate will be & \$102 per night plus tax. I need to know as soon as possible who is interested in going so we can block the rooms. And as soon as a flier is available I will see you get one. There are also cabins available that are located about 10 miles out on at Sequoyah Lake Tellico Resort. Example a 2 bed room starts at \$189 per night with a \$25 cleaning fee plus tax

- Also John had mentioned a good deal on an evening cruise on the Blue Horizon it costs \$20 per person and you receive \$20 in free slot play, buffet dinner that has Latin, Asian, Mediterranean, Seafood and Home Style food. We would just have to make this event kind of a last minute one due to the weather and seas.

What will be in the Newsletter?

Club Highlights	Upcoming shows	Events
Cruises	Charity Projects	Birthdays
New Cars	Club History	

The Board of Directors will drive it; but we want to hear from you, the membership. Let us know what YOU want in YOUR newsletter. Did you read a informative article; let us know about it. Perhaps you went to a great new restaurant, a new cleaning product, whatever you would like to share with the group. As your editor you can email me at lindalarch@gmail.com; or you can send it directly to the club's email address ccpb@ccpb.us. We are aiming to be lighthearted, slightly tongue-in-cheek, and hopefully informative. The newsletter will only be available by email, so keep your email info current.
