Thank you to all the 62 members that attended our February business meeting.

Our next social meeting will be Feb 22 at BJ's Restaurant and Brewhouse on Palm Beach Lakes Blvd. Details will be sent out prior to this date.

Last weekend we enjoyed our first "Corvettes in the Community" activity. Several of our members shared their time and Corvettes with Army soldiers being deployed. They so appreciated us being there and we will be invited to return when those 103 soldiers return to W Palm Beach.

We have extended renewal date until Feb 22. At that time our email list will be edited.

We have a new email address: ccpbvettes@gmail.com. We will no longer be using subject: Stingray.

Our format for the member roster will be in a new format. The old format will be available on our website, members only page. New format will be just Name, Email address, Phone #

The Reflections in Glass show on Saturday, Feb. 7, 2016 was a very successful one for CCPB. We were the winners of the club participation award, \$100, with 21 cars present to compete in their show and Laura Skelton won Best in Show. 6 other members of the club won trophies so congratulations to all of those winners.

Our spring show, Vettes on the Lake, is quickly approaching. We are in need of as many volunteers to help with things. We passed around a list but in addition I will be sending out an email blast, looking for responses from those who have not yet volunteered. WE NEED YOUR HELP in order to be successful. So when you get this email and review the positions available reply and let me know what you can assist with. This show is going to be very different than the average car show. We have entertainment booked, there are craft vendors and of course CORVETTES. So be a part of this effort towards our charities.

By mid month my month email will be going out to let you know of all the shows and cruise-ins that will be available for the month of March
