Glenn & Eileen Baily Road Rally Information:

-Glenn and Eileen Bailey are pleased to announce the **9th Annual CCPB Raucous Road Rally 2017!** What is a rally? It's a Corvettes only function where you will need a Driver and a Navigator, or as some call it, **Nagivator** [A bossy person who rides in the passenger seat and gives directions to the driver]. We will give you a set of instructions that will take you on a nice drive around town to see the sights and fill in some encoded blanks on a rally sheet to tell us what you saw. Stay for lunch at the finish point for the awards presentation and enjoy some laughs with your fellow rallyists with stories from your rally journey. Go to the pictures at www.ccpb.us to see all the happy faces from the last rally. We promise to make this year's rally very easy as we have a lot of new members in the club and we do want to see them return to us. :) The date is set **for Sunday, February 26th, 2017**. If you think you may be interested please e-mail Glenn and Eileen today at gandebailey@yahoo.com with a **YES and the name of your Driver and Navigator!**

Right now it is not a commitment so much as a show of hands to see how many are interested. We would assemble by 9:30am in a currently undisclosed location with the 1st car out at 10am. The event is free and limited to the Corvette Club of the Palm Beaches members. Sorry, no pets or children. We will also be passing around a signup sheet at the next club meeting. **Do not reply to this email! Send an email to:**
