Meetings minutes 1/23 at Asian Fusion:

Rose Wade, President/Mark Skelton, Car Shows:

- CCPB has two sponsors with the addition of Schumacher Chevrolet. They have provided money for our trophies for CityPlace car show.
- New member Jim Kaplan, from Schumacher Chevrolet. Jim was a previous member from 2002-2005.
- Car show vendors: Pearl USA, Napa, Zen and a new vendor named Images on Metal. This vendor prints pictures of your car on metal, t-shirts (\$15.00), etc. This is done while you wait. They do a great job.
- CityPlace Car Show 2/4. All volunteers need to be at CityPlace between 7:00-9:00 am to help set up. 3 (People Choice Awards) will be given to club cars. 67 cars have registered at this time but Mark Skelton knows of more cars that will register this week. Should be a great show.
- The volunteer sheet will be sent out to everyone showing where they will be working & time to report.
- There is room for 50 club cars. Club cars will pull off Okeechobee Blvd onto Rosemary to park their car. Make sure you put the "Do Not Touch" signs on your car. There will a barricade in place off Rosemary where our club cars will be parked. There will be club members assigned to this area. Need to make sure that you lock your car when you go to dinner and park your car parallel at end of show. We are contracted to stay on the street until 5:00 pm.
- All club members: **PLEASE** wear your yellow shirt club shirt, name tags so we can identify ourselves and bring their hand radios.
- John Bender requests that everyone watch out for everyone else with cars at the show, look for people doing things they shouldn't to cars and that individuals with cars in the show DO NOT put chairs in the entry way, they must be at the back of your car. CityPlace is very strict. We need to follow the rules.
- Friday, February 3rd, Pre-Party for car show at The Blue Martini, 5:30 - 8:00.

Bill Guevremont, Webmaster:

The CCPB bylaw revisions distributed at the January 9th business meeting and provided January 12 by e-mail with the January 9th business meeting minutes were reviewed and passed by four fifths of the 45 business meeting attendees and three absentee ballots. The revisions allow the CCPB board to refuse membership application, with cause, by a majority vote of the full board and removes the requirement for four quarterly meetings per year. A copy of the complete bylaws can be found on the Member Only page of the CCPB website.
