Thank you note from Alison Kosky:

To all my friends at CCPB. Thank you so much for all of your kind words, kindness and sympathy at Frank's passing. I miss him dearly but at least he is at peace, so I have to take comfort in that. I hope to see everyone again but right now it is just too painful. Just know everyone has helped me so much and it is appreciated very much. Thanks from my heart.

Sincerely,
Beth Peloquin
