April 16, 2018 Meeting Minutes

Meeting was held at Prime Sports Grill in Boynton Beach. We had 40 members in attendance.
Treasury Report: \$7861.93, 136 paid members

Our annual picnic on April 7th was a success; we had 76 members with some family. Everyone enjoyed good food and the Turtle Museum. Thank you to Siobhan for hosting the games and supplying the medals.

The Board met on April 12th. The following charities have been adopted for this year. Veterans, Adopt a Cat, Holy Ground Shelter for the Homeless, Inc., and we will continue to support St. George's. Checks to all of these charities will go out this week.

Our Halloween Car Show is moving forward. Oct 27, 2018. Bill is working on the flier and the map for the exact location in the Mall. Many details to follow. This should be fun and I am looking forward to seeing everyone in their costumes!! Any ideas from the members would be greatly appreciated.

Our summer meeting schedule will begin in June and continue until August. There will be one business meeting on the first Monday of the month at LaBamba's. The second will be a social and will be a floating location. Need location ideas please. A summer social is usually about 30 members.

We have about 20 cars going to Ft Pierce this weekend. Mark will send out info on Wednesday with the meeting place and time.

Lynda Campisi has done some work on getting us a Holiday Party location. She has contacted the following:

Westchester CC, Royal Palm CC, Atlantic National Golf Club, Indian Spring CC
and Mel's Way Bistro.

If you have any experience with these facilities, please give us some input.

Fun facts: We had 4 visitors at the meeting. Brad won the 50/50, \$55. Here's the fun.... he won his 2016 Z06 from his museum raffle ticket!! Here is another fun fact; Ron and I were at the museum for his Ambassador meeting. This car was on display and I loved it. I took pictures of it, and bingo, there it is hopefully in our club.

Caravan information has been sent in a separate email due to its length of important information (and is attached). That's All Folks!! Have a great week. Remember to go to, ccpb.us, for any additional information you may need.

President

Linda Arch and Laura Skelton covered the 2019 National Corvette Museum 25th Anniversary Caravan and how the club will lead next year's road trip to the Museum. Richard Orsatti and Linda Arch will lead the Caravan on the traditional route from Palm Beach County to the Daytona Motor Speedway joining the other Florida participants for a couple of days of fun at the track on August 25 and 26 ending with an opportunity to participate in a parade lap on the famed speedway before heading out with Florida Caravan Leader Sue Militello for the trip to Ackworth, GA on August 27. From Ackworth, Sue will lead the Caravan to Bowling Green, KY.

Laura and Mark Skelton will lead the group of CCPB members on a road trip adventure that will not follow the official Caravan route, but will still end in Bowling Green. This road trip is for those who might have done the caravan several times in the past, and while they want to be part of the festivities at the Museum, they would rather follow a road less traveled. Details of the trip and destinations will follow.

Whichever trip you decide to take, you are guaranteed to have a wonderful vacation and a memorable adventure. Once in Bowling Green, CCPB will meet for a guided Assembly Plant Tour, and a fun filled evening at a local restaurant, (Last Caravan, it was Chewy's Mexican Cafe).

Now is the time to get hotel rooms booked if you are going to Daytona and Ackworth. Please go to <https://www.corvettecaravan.com/fl> for a listing of hotels, and an outline of what to expect. Richard and Linda will be staying at the Courtyard by Marriott in Daytona and the LaQuinta in Ackworth.

CCPB will have a room block with special room rates at the StayBridge Hotel in Bowling Green. This block is not open at this time. We expect availability by August 2018.

Florida Caravan Leader, Sue Militello, will be at the Stuart Car Show this Sunday, April 22, in Ft. Pierce for anyone wanting to purchase Caravan logo wear. We will also have Sue at one of our meetings, possibly in June, and then later as the Caravan grows closer.

This is just the beginning; so much more is planned for this road trip. Review the web information and get on board. <http://www.corvettecaravan.com/>
