Meeting Minutes, May 7, 2018 – LaBamba's

Attendance: 47

The meeting was conducted by Dave Schulman in Rose Wade's absence.

We have sent out all our donations from the City Place Show.

We received a very grateful message for our generous donation from Phyllis Jesper. She is the Executive Director of Holy Ground. It was nice to hear that they felt \$500 was a generous donation. She assured me that 100% of our donation would be used from their clients. She is going to gather a group to attend our Halloween Car Show.

Another project I would like the members to research is "The Veteran's Site" Please look into "Handle with Care Packages" for Deployed Service membership. I would like to form a committee to send packages to deployed veterans during the holiday season. Interested? Please email Rose Wade.
