First time event planner Linda Arch, Siobhan Trohalides for challenging us with fun games, Dave Schulman, grill master extraordinaire with Mark Skelton's able help, and all those who helped to set up and clean up at the end of the day.
- Our Crossroads Diner cruise this Saturday (April 20) at 8:00 am is full – however the weather predictions for Saturday aren't looking good at all. If you signed up to go on this cruise, please watch your email as it may be necessary to cancel/postpone the cruise at the last hour.
- John Tripp is putting together a cruise group. If you are interested please send an email to John at jetar@earthlink.net and he will contact you with the information.

We have submitted a formal bid requesting to hold our all Corvette Car Show and are waiting to hear from them regarding acceptance and terms.
