Florida Corvette Specialty Plate Update:

As some of you probably know State Representative Don Hahnfeldt died suddenly a year and a half ago right around Christmas time. Before his untimely passing we were making progress with efforts to get legislation passed for a Florida Corvette Special Plate. When Don passed everything was put on hold till a new Representative was elected. There was no special election to fill Don's slot so we had to wait till the next election cycle.

Finally, a new person was elected to replace Don Hahnfeldt. Brett Hage was the winner and his goal was to push the legislative efforts that Don had not completed before his passing.

While all this is going on, the Special plate was put on the back burner. But now we're getting back on the front burner and I have an appointment with Brett to go over the plate proposal with him this month, and all indications are that we're back and moving forward.

Here is how you can help!

Representative Hage's executive secretary, Nancy Bowers, has suggested to me that Corvette owners here in Florida should indicate to him (if they see him or know him) their support for a Corvette Special License Plate, or better yet, email Brett's secretary indicating your support for the plate and she will give the emails to him.

Her email is Nancy.Bowers@myfloridahouse.gov

- To be in compliance with gaming rules, the new raffle program is now a mail order system.

Only people physically located in the state of Kentucky (based on IP address) can buy raffle tickets online. For individuals not in Kentucky, there is a ticket request form attached to complete and send back to the Museum for processing.

The preferred payment method is credit card and can be mailed by regular US mail. However, in order to pay by check it is necessary to send the form and payment by UPS or FedEx. Email address must be legible in order to receive ticket number(s).

As a courtesy to our club members, Ambassador Richard Orsatti will accept completed credit card order forms at club meetings. Attached is form that needs to come with your payment.

Additional Info -

- Message from John & Suzanne Tripp. Got back to Fort Smith Arkansas 13 days ago on a Monday night. Spent the next day cleaning up large limb debris. Wednesday started work to better secure boat dock and boat Then started sand bagging. Sunday moved furniture to 2nd floor and heavy stuff set up on cement blocks. Then got RV out of storage and moved it to a church parking lot a 1/2 mile away. Can only get to house with waiters and a kayak. Got to 10" in the house and down now 2". Hope it is at floor level tomorrow night and I started basic demo today. So it is quite deal and a long haul ahead but a lot of people are worse off. Lots of thoughts and prayers for John & Suzanne.
