Richard Orsatti - Corvette Museum Ambassador

- Richard Orsatti and Linda Arch had the opportunity to attend the C8 Reveal in Tustin, CA with the Museum and other Corvette Owners. On Thursday, July 18th, they enjoyed dinner and the live streaming of the event. On Friday, they were treated to a special tour of the Marconi Auto Museum and a wonderful catered luncheon before going to Tustin Hanger #2. There they got to see a live presentation of the prior evening's reveal of the C8 with all the technical data. This was followed by more than 3 hours of free time to really see, sit in, open doors, check out the engine, and load the trunk and the frunk with luggage. This was a real hands on experience with GM Engineers at each station to explain the car, the build, the accessories. This was time not available at Thursday's reveal. A slide show of pictures taken in Tustin was available at the meeting and Richard, in his element, was available to answer questions. And Yes, he has placed his reservation for his new 2020.

Linda Arch - Special Events

- Celebrated July and August birthdays for 18 birthdays with wonderful chocolate cake. Happy Birthday!!

Thanks, Beth Peloquin Communications
