Many thanks to your club for picking up on this initiative for children who visit the NCM.

It's a great opportunity for us to showcase our clubs and their generosity while helping to create new, young enthusiasts.

Here are the answers to your questions:

1. Do they need to be in the original package? **Yes, please..individual, original packaging is best for giving away to the kids.**
  2. Any model year restrictions? **Any Hot Wheels/MatchBox model year of Corvette would be perfect!**
  3. Drag Models/Future Concept? **Of course we are appreciative of all cars, but we do like to have Corvettes because we tell the children they will be receiving their very own Corvette when they leave the Museum.**
- Please tell your club members how much we appreciate all you do for us. Also, if anyone has a senior in high school (whether your own child or a grandchild) remind them of our current Scholarship opportunity as well (deadline for applications is February 28th).
