Dear Corvette Club of the Palm Beaches,

Thank you for your Business Membership with the National Corvette Museum. Your support is greatly appreciated and needed to move the Museum forward. We are making a change to the way Business/Club Member admission passes are managed. Beginning now, all Business/Club Members will not receive the yellow passes in the mail.

The 6 free admissions each year will be attached to the business/club record in the membership database. When you have a member/guest coming to the NCM, they simply tell our admissions team the name of the club/business and that they are redeeming a club admission pass.

We would like to remind you, membership dues to the National Corvette Museum are **Tax Deductible** as allowed by the Internal Revenue Service Code(s) regulating 501 (c) (3) organizations. It is determined that 100% of your membership fees are deductible under these guidelines. This year you paid **\$150** for a Business Membership.

As a Business Member of the National Corvette Museum, you are entitled to several benefits that assist in promoting your organization. One of these benefits is our Business Membership website listing. We encourage you to visit our website to view your business information online.

Also as a Business Member, you have the opportunity to take advantage of a featured news item once a year in our weekly emailed *eNews*. The article is composed of a title, 50 words of copy, photo or logo, and call to action with link. Submit your details and image to [katie@corvettemuseum.org](mailto:katie@corvettemuseum.org). Additionally, business members receive discount pricing on print ads in our *America's Sports Car magazine*.

Again, thank you for your support for the National Corvette Museum. Please feel free to call us with any questions or ideas that you may have. We hope that you will visit us soon!

Sincerely,

Becky Madison  
Membership Services Coordinator
