Dear T2T Supporter,

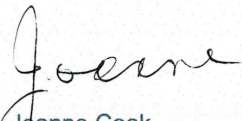

On behalf of the Tunnel to Towers Foundation, thank you for your recent gift of \$1,000.00. Your generosity, and the spirit of giving behind it, mean more than we can express. We are truly honored to have your support.

The Tunnel to Towers Foundation is committed to honoring and uplifting our nation's heroes through meaningful, lasting support. Our programs serve catastrophically injured service members and first responders, the families of fallen first responders, Gold Star families, and homeless veterans. We have made it our mission to deliver stability, independence, and a renewed hope to those who have sacrificed so much for our country.

This year marks 25 years since 9/11 and the founding of Tunnel to Towers—a reverent milestone that honors lives lost and the enduring promise to never forget. On June 7th, Tunnel to Towers hosted the 10th Tower Climb NYC, wherein 1,250 participants climbed 104 stories to the top of One World Observatory. This climb honors the lives and sacrifices of all 9/11 heroes, including FDNY Firefighter Stephen Siller and FDNY Captain Billy Burke.

Once again, thank you. I would welcome the opportunity to learn more about you and what inspired your gift. Feel free to give me a call at (347) 410-6650 or email me at joanne.cook@t2t.org to schedule a time to chat.

With gratitude,

Joanne Cook
Senior Manager - Development

The Stephen Siller Tunnel to Towers Foundation is recognized by the IRS as a 501(c)(3) tax-exempt organization. Gifts to the Foundation are tax deductible to the extent allowed by law. No goods or services have been provided to the donor by the Foundation in exchange for this donation. Federal Tax ID02-0554654. Please retain this letter for your tax records and consult with your tax adviser regarding the deductibility of your contribution.
